Why Care?

Scripture: Jonah 4:1-11

1. Jonah 4:1-3

God demonstrated that He is always true to His character.

Application: As Gods children, we are to demonstrate His character, including His compassion for ALL people.

2. Jonah 4:4-9

God consistently offers His blessings to ALL people; even those we may think do not deserve it.

Application: Just as God has blessed the believer, the believer must seek to bless others – even our enemies. God’s blessings given to the believer should be a motivator to share Jesus with others.

3. Jonah 4:10-11

God reminded Jonah that people are more important than plants, or past hurts, or pride.

Application: God desires for Christians to make loving others a priority in their lives. Failing to do so will lead to confusion, disillusionment and frustration.
